

TigerTronics Code of Conduct

As a member of TigerTronics, team 2053 I agree that I will:

- Work the amount of time that is required of me.
- Complete all tasks that I am assigned.
- Demonstrate appropriate behavior at all times.
- Use tools the way they are meant to be used.
- Practice safe behavior when working in the shop or on the robot.
- Keep my work areas clean and free of clutter.
- Pick up after myself.
- Work well with others and be open to other's suggestions.
- Not put other team members down or make them feel inferior.
- Obey all mentors.
- Follow all school rules in the High School Code of Conduct.
- Follow all guidelines set down in other team contracts.
